Explore Leadership

RYLA is designed for young adults who are interested in developing their leadership and contributing to their communities. The leadership programme is designed to meet the needs of 20-26 year olds who have left secondary school and are working or undertaking tertiary study. RYLA offers opportunities for personal development to show leadership in the community, the workplace and in everyday life.

RYLA will...

- Develop your leadership skills
- Challenge your beliefs about leadership
- Introduce you to a variety of people and build your networks
- Explore issues leaders encounter
- Meet and engage with current community leaders

RYLA involves...

- Seminars and interactive workshops
- Team building and problem solving
- Personal and professional mentoring
- Community volunteering
- Reflection and goal setting

"RYLA gave me a view of ways that leadership can happen in the community. It made me think that leadership can be bigger than just me and it is about other people and not about the leader."
