

Announcing the 2016-17 District Grants

DG Keith Owens and TRF Chair Colin Olesen are pleased to advise that \$38,895 has been distributed to clubs as district grants for 2016-17.

These grants were possible as a result of the contributions from clubs and individual Rotarians to the Rotary Foundation Annual Fund in 2014-15.

This year for the first time in a number of years we were able to approve all grants applied for due to the generous contributions in 2014-15.
